Daniel & Ezra with M. Victoria Sutton: These narratives tell the story of the Jewish people between the First and Second Temples. From the writing on the wall to the lion's den, we will explore the life and times of the prophet Daniel in the Babylonian court. Next, we turn to Ezra haSofer, the pivotal figure in returning the people, and Torah, from the Babylonian exile to Jerusalem. As we journey through this critical time in Jewish history, we will learn about these amazing figures, their challenges and choices, and how they can inform our own experiences both in the Diaspora and in Israel.

RSVP is required to attend this event. <http://www.magnes.org/visit/exhibitions-programs/programs>

The Magnes is pleased to announce the acquisition of the Noah's New York Bagels Collection (1989-1996) documenting the early history of Noah's New York Bagels. Founded in Berkeley by Noah Alper, resident entrepreneur, consultant, and philanthropist, the Noah's Bagels brand rose to national prominence as the largest kosher retailer in the U.S., until sold to Einstein Bros. Bagels in 1996. Noah's neighborhood stores, which Alper referred to as "unapologetically Jewish," served as a popular community gathering place for all manner of West Coast Jews. Among the materials now archived at The Magnes are business records, photographs, memorabilia, recordings of radio and television broadcasts, promotional t-shirts, and even a beach towel with the Noah's logo.

The program will include an intimate display of select items from the collection, Noah Alper's own reminiscences about the early days of the business, and of course a bagel-based reception (shmear provided).
